

4th ANNUAL GAVIN'S GOLF CLASSIC

SEPTEMBER 13, 2013

REGISTRATION FORM

Gavin, 4 years old, was born with a very rare retinal disease, called Leber's Congenital Amaurosis (LCA). There are approximately 3,000 people in the country who have this disease. LCA causes blindness at birth and currently there is no cure.

Our mission is to raise awareness and increase funding for research to find treatment and cure for blindness, primarily focusing on Leber's Congenital Amaurosis (LCA)
